The 2 most important forms you need to complete for health clearance are:

1. TB Initial Risk Screening - REQUIRED
2. Immunization Form - REQUIRED

You can receive text message appointment reminders and other alerts by enabling text messages.

2018-19 New Student Admission Health Requirements:
If you have questions about submitting TB/immunization records, contact the Student Health Center by secure message through this portal, by phone at (949) 824-5304, or information on new student TB screening and immunization requirements can be found at: https://snc.uci.edu/new-student-information/immunization-requirements

Upcoming Maintenance:
The WHCS web portal will be inaccessible on 9/16/18 from 12:01 am to 12:31 am.

The WHCS Patient Portal is a secure and confidential method to access services and securely communicate with several departments under UCI Wellness. Use this portal:

- Complete new student admission health requirements (immunizations/TB risk)
- Schedule appointments (same-day appointments available)
- Complete initial form(s)
- Securely message questions and requests (including prescription refills)
- View billing statements

Student Health Quick Links:
- Make appointments
- Request a Medication Refill
- Upload Immunizations/TB
- Secure Message Inbox

This link provides information about the Health Clearance.
Compliance Forms for Test Patient12

Name: Patient12, Test
School: 
ID Number: T012

You can use the WH&CS Patient Portal to access, complete and view the status of the following forms from the appropriate department(s) under UCI Wellness, Health & Counseling Services.

NEW STUDENT FORMS
New students must complete TB Risk Screening and Immunizations compliance forms by the appropriate deadline.

- TB Initial Risk Screening Questionnaire
- Immunization Form
- Upload Immunization Records (see: on the left sidebar)

Note:
The deadline for compliance with these health requirements is **Friday, October 26, 2018** for all new freshman, transfer and graduate students. New, incoming Law students must complete these requirements by **Friday, October 19, 2018**. If you haven't completed these requirements by the deadline date, an academic hold (Type 2) will be placed onto your record by SHC and you will be unable to enroll in Winter Quarter and/or Spring Quarter during the November enrollment period. To ensure a safe and healthy campus community and to avoid the possibility of missing the deadline, the University strongly recommends that all students complete these requirements prior to arriving at UCI.

Prior to beginning the forms, you will need to gather your health records, including medication and immunization records, and review your records and your family health history with family members.

If you have questions about submitting TB/immunization records, contact the Student Health Center by secure message through this portal, by phone at (949) 824-5304, or by email at shc-immunizations@uci.edu. More information on new student admission health requirements can be found at: [www.shc.uci.edu/new-student-information](http://www.shc.uci.edu/new-student-information)

OTHER AVAILABLE WH&CS FORMS

Before you are seen at other offices within Wellness, Health & Counseling Services, you may be asked to complete one or more of the corresponding online forms listed below.

NOW go back to the HOMEPAGE and click on the TB Risk Screening first.
TB Initial Risk Screening - REQUIRED

TB Risk Assessment Questionnaire

Check appropriate risk factor boxes below.

1. Have you previously tested positive for TB?
   - Yes
   - No

2. Foreign-born person (from a country with a known elevated TB rate)?
   Excludes those born in the United States, Canada, Australia, New Zealand, or a country in western or northern Europe
   - Yes
   - No

3. Immunosuppression, current or planned?
   HIV infection, organ transplant recipient, treated with TNF-alpha antagonist (e.g., infliximab, etanercept, others), steroids (equivalent of prednisone = 15 mg/day for 1 month) or other immunosuppressive medication
   - Yes
   - No

4. Close contact to someone with infectious TB disease at any time?
   - Yes
   - No

5. Foreign travel or residence of = 1 month consecutively in a country with an elevated TB rate?
   - Any country other than the United States, Canada, Australia, New Zealand, or a country in Western or Northern Europe
     - TB testing should occur at least 8 weeks after the person left the country with elevated TB prevalence; tests prior to leaving are not absolutely negative
   - Yes
   - No

UC TB Screening and Immunization Requirements

The health of the individual can affect the health of the entire campus community. The University of California (UC) is committed to protecting the health and well-being of our students, the campus community and beyond. In order to protect the campus from outbreaks of vaccine-preventable diseases, ALL incoming UC students, including medical students, are REQUIRED to obtain four (4) specific vaccines and undergo screening for Tuberculosis or provide documentation demonstrating compliance with these requirements.

Compliance Deadlines for All New, Incoming Undergraduate and Graduate Students

<table>
<thead>
<tr>
<th>TB Risk Screening and Immunizations</th>
<th>Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Tuesday, October 23, 2018 : Incoming Freshman, Transfer and Graduate students.</td>
</tr>
<tr>
<td></td>
<td>Tuesday, October 19, 2018 : Incoming LAW students.</td>
</tr>
</tbody>
</table>

Medical Students: See Immunization Requirements for Medical Students

If you haven’t completed these requirements by the deadline date, an academic hold (Type 2) will be placed onto your record by SHC and you will be unable to register for Winter Quarter (or Spring Semester) classes. In order to be in compliance, students must complete the TB Risk Screening Questionnaire, enter their vaccination dates, and upload their immunization record(s) online through the Student Health Patient Portal. SHC will notify the University Registrar to release the academic hold once compliance has been verified. Medical Students: SHC will
