Important Note: Where applicable, a range is provided as the fee(s) will ultimately be based upon services ordered by the provider and medical necessity. The fees shown above are SHC's standard fees that are billed to the UC SHIP plan. For students enrolled in UC SHIP, copays and coinsurance amounts apply in accordance with the plan benefits. Copays and coinsurance amounts, applicable to UC SHIP-enrolled students, are transferred to the student's campus billing account for payment. For students who have health insurance other than UC SHIP, the full amount of fees for services rendered are billed to their campus billing account for payment.

Missed Appointment ("No Show" or "Late Cancellation")*	
Medical	\$50
Mental Health	\$60

*Late cancellation fee applies if the appointment is not cancelled prior to the day of the appointment.

Administrative Clearance**	
Administrative Health Clearance	\$60

**An administrative clearance exam is typically requested by the student to fulfill certain mandates. These may include various University requirements (e.g., academic, participation in Club Sports or NCAA-sanctioned athletics, etc.), travel-related requirements or employment requirements. Administrative clearance services such as exams and related testing are not covered benefits of UC SHIP. Students, regardless of insurance coverage, will be billed directly for these services unless the UCI department that is mandating the clearance has agreed to pay SHC for the costs of services. In these cases, the student must present a recharge form at the time of the appointment signed by an authorized department official.

The information printed herein is current as of the date of publication. UC Irvine Student Health Center reserves the right to adjust fees at any time during the academic year without prior notification.
