

**Anthem Blue Cross: University of California Student Health Insurance Plan (UC SHIP)
UC Irvine Students and Covered Dependents**

Coverage for: Student/Family | Plan Type: PPO

The Summary of Benefits Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, www.ucop.edu/ucship/plan-documents/ or by calling 1-866-940-8306. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1- 866-940-8306 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	There is no <u>deductible</u> for UC Family <u>providers</u> . For <u>network providers</u> : \$300/person or \$600/family; <u>Out-of-network provider</u> : \$500/person or \$1000/family.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes, <u>network preventive services</u> , emergency room, <u>urgent care</u> , acupuncture, chiropractic, physician office visits, family planning, medical evacuation, repatriation and <u>prescription drugs</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount, but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits
Are there other <u>deductibles</u> for specific services?	Yes. Pediatric dental: \$60/person or \$120/family. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	For UC family <u>providers</u> : \$2,000/person or \$4,000/family <u>network providers</u> : \$3,000/person or \$6,000/family. For <u>out-of-network providers</u> : \$6,000/person or \$12,000/family. For pediatric dental: \$1,000/person or \$2,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billed</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.anthem.com or call 1-866-940-8306 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	Yes for students and no for dependents.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services, but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
